

Randy was one of those all-American strivers who attended seminars on salesmanship and negotiating skills back when he was a real estate broker and contractor. He was an avid reader and was constantly honing his skills to be a more effective and knowledgeable representative. He brought many disparate fishing groups together in consultation on important decisions, yet he was able to take charge when necessary and show leadership in times of crisis.

A few days before the "Fish Fry for the RFA at Noyo Harbor," Randy's friend Jim Martin left a message on Randy's phone saying that he needed a pep talk because of some setbacks he had. A few minutes later he called back and said:

"Oh, Cowboy Up, Pardner."

Jim busted out laughing. It was perfect Randy: short, sweet and to the point. It was all the pep talk he needed. Four words, and Randy set him straight.

Randy Fry was a warrior, a champion for the ocean and fishermen everywhere. He is sorely missed by his family, friends and colleagues.

HONORING THE SWORMVILLE FIRE COMPANY AND THE DEDICATION OF THEIR NEW FIRE HALL

HON. THOMAS M. REYNOLDS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 28, 2004

Mr. REYNOLDS. Mr. Speaker, it is with great pleasure that I rise today to recognize the Swormville Fire Company on the occasion of the dedication of their new fire hall.

The Swormville Fire Company has bravely served the citizens of East Amherst, NY, since its incorporation in 1918. The company was founded by a local resident named William Smith, and originally consisted of fifteen members. In 1937, the company completed work on a fire hall, the fire hall that would serve as headquarters until earlier this year.

Today, sixty-seven years after that fire hall was built, the company boasts over one hundred members and a top-notch volunteer fire-fighting operation—so it is fitting that the company should have a new, top-notch fire hall from which to run their operations. Working towards this end, we were able to secure federal funding of more than \$130,000 for the company last June. Swormville's brand new fire hall, erected on the same site as their previous one, will serve both the company and the community well. This new, 16,500 square foot facility includes five apparatus bays, an emergency communications room, a training facility, a records storage room, and even a weight room.

Since 1918, the Swormville Fire Company has provided a vital service to the community. East Amherst would clearly not be what it is without them. We owe them a debt for gratitude for all they have done over the years, and wish them all the best as they continue to selflessly serve the community in their new fire hall.

Mr. Speaker, I ask that this Congress join me in recognizing the Swormville Fire Company and celebrating the dedication of their new fire hall.

HONORING HURST MAYOR WILLIAM SOUDER

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 28, 2004

Mr. BURGESS. Mr. Speaker, I rise today to recognize Mr. William Souder, retiring Mayor of Hurst, Texas, for his outstanding service to the local community for the past 32 years.

Mayor Souder is a lifelong resident of Hurst and a direct-descendant of the city's founder, William L. Hurst. Like his relative, Mayor Souder has taken a decisive role in shaping the direction of the community for well over a quarter century.

Mr. Souder, a former banker, served as the first Postmaster to the city of Hurst. Prior to becoming Mayor he devoted 5 years serving as a city councilman. In 1980, Mr. Souder was elected Mayor of Hurst and has since served an impressive 12 consecutive terms.

As Mayor, Mr. William Souder has improved the lives of those living and working within the community. Under his leadership, 90 percent of the Hurst's facilities have been constructed or remodeled in a manner that allowed the city to incur zero debt. He has also played important roles in a whole host of progressive projects including the Northeast Mall renovation which has secured the city's financial security for many years into the future.

Mayor William Souder's positive impact has extended well beyond the immediate Hurst area through his involvement in the National League of Cities, Texas Municipal League, and U.S. Conference of Mayors.

It has been my distinguished honor to work alongside Mayor Souder for the improvement and development of Hurst, Texas. His leadership and kind heartedness will be missed. Bill, his wife Dodie, and the entire Souder family have my best wishes and prayers for the future.

MOKELUMNE RIVER FEASIBILITY STUDY

SPEECH OF

HON. RICHARD W. POMBO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 22, 2004

Mr. POMBO. Mr. Speaker, I rise to speak in favor of H.R. 4045. In San Joaquin County, California, water supplies are being depleted. The region suffers from highly significant groundwater overdraft and saline intrusion. This bill provides a much needed solution to this growing problem.

H.R. 4045 authorizes \$3 million in federal funding to complete studies that will examine additional surface water supplies, and improve water supply reliability and environmental protection for the Bay-Delta Region.

The project's multi-year evaluation would involve the participation and cooperation of a wide range of regional stakeholders and would provide information important to statewide water resource and environmental protection efforts.

Areas that will be aided by this bill include Stockton, Lodi, Lockeford, Clements, Waterloo, Farmington, Linden, Wallace, Camp Seco and Valley Springs.

A clean, safe water supply is essential to sustain our growing communities. Mr. Speaker, I urge my colleagues to support this important legislation.

NATIVE AMERICAN VETERANS HOME LOAN ACT OF 2004

HON. STEPHANIE HERSETH

OF SOUTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 28, 2004

Ms. HERSETH. Mr. Speaker, today I am introducing the Native American Veterans Home Loan Act of 2004. This Act will extend the Native American veteran housing loan pilot program until December 31, 2008.

The VA pilot program provides direct home loans to eligible Native American veterans who wish to purchase, construct, or improve a home on Native American trust lands. This extension will allow more veterans living on trust lands to take advantage of this important benefit, which is scheduled to expire on December 31, 2005.

Since its inception of the pilot program in 1992, the VA has made more than 400 direct loans to Native American veterans, which can be used to purchase, construct, or improve a home on Native American trust land. The VA direct loans are generally limited to either the cost of the home or \$80,000, depending on which is less.

For a veteran to be able to participate in this program, the veteran's tribe must have entered into a Memorandum of Understanding, MOU, with the VA. To date, the VA has entered into MOUs with a total of 68 Native American tribes and Native Groups throughout the country. VA field personnel have conducted outreach with the following tribes in South Dakota: Cheyenne River Sioux, Crow Creek Sioux, Lower Brule, Oglala Lakota Sioux, Rosebud Sioux, Sisseton-Wahpeton Sioux, Standing Rock, and the Yankton Sioux.
